ULTRA ODOR KILL

Electrostatic Air Filter Odor Killer Cleaner Concentrate and 16oz

The perfect product to pair with C.E.F. Cleaner, to keep your Electrostatic Air Filters Clean, Efficient, Odor Free, and Effective!

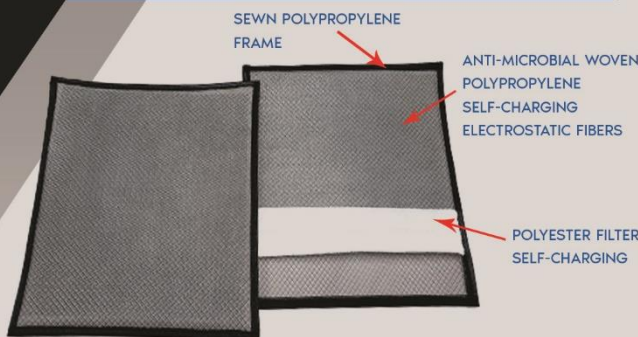

3 DIFFERENT FRAMES

FLEX FRAME FILTERS

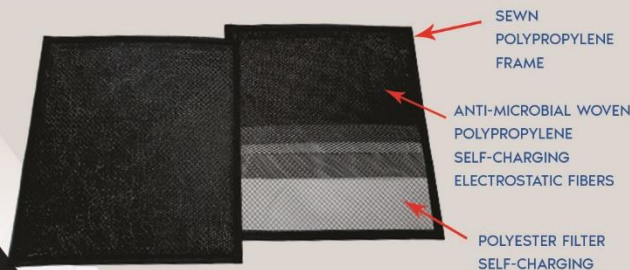

Flexible frames are available for applications where a rigid frame cannot be used because the filter must be bent in order to install.

Flexible frame filters have both a 3/8" polyester layer and an expanded metal stiffener applied between two layers of polypropylene with a polypropylene webbing frame which is sewn around the edge. These 3/8" thick filters fit most 1" applications.

94% ARRESTANCE

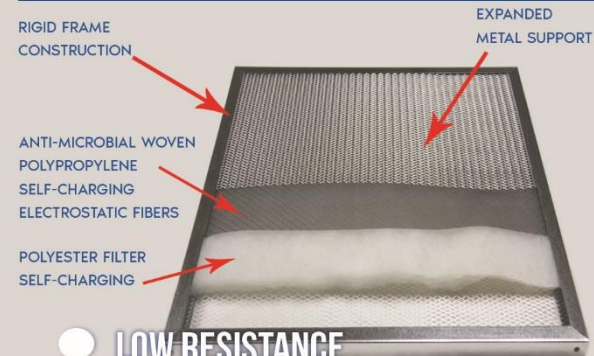

88% ARRESTANCE

LIFETIME WARRANTY

Air-Care warrants its products to be free from defects in materials and workmanship, at the original place of installation, for the life of the unit in which it is installed.

Air-Care will repair or exchange any of its products defective in material or workmanship. Repairs or exchanges are limited to the original purchaser.

GENERAL CONDITIONS

This warranty does not apply to any Air-Care filter that has been modified or altered in any way. Including any Air-Care filter that has been subject to misuse, excessive heat, or improper installation.

On a Monthly Basis, Follow

These Easy Steps to Clean Your Filter:

- * Remove the air filter.
- * Flush with water in the opposite direction of air flow arrows. Then rinse the other side.
- * Spray with C.E.F. Cleaner to clean and remove stubborn stains.
- * Rinse thoroughly to remove any remaining dirt.
- * Drain excess water, let air dry and re-install the filter.
